Careers

Fortune Magazine ranks a master's in biostatistics as the #1 graduate degree for jobs

Fortune Magazine lists a master's in biostatistics as the #1 graduate degree to pursue in terms of career investment in 2016. They predict a 23% projected job growth by 2024, making qualified candidates in high demand. With a median salary range estimated at \$105,000, a career in biostatistics is also considered low stress with highly rated job satisfaction.

Fielding
School of Public Health

February 7, 2020

Dear Jianyue Guan,

Congratulations!

It is my sincere pleasure to inform you that you have been accepted to the UCLA Fielding School of Public Health for Fall 2020. The Admission Office will be in contact with you in the coming weeks to discuss next steps.

In 5 - 10 business days you can expect an email from the Admission Office regarding your offer. The deadline to accept our offer is April 15, 2020. The Graduate Division's email will be sent to your student registration fees upon matriculation.

MAILMAN SCHOOL
OF PUBLIC HEALTH

Dear Jianyue,

Congratulations on your acceptance to the Columbia University Mailman School of Public Health! We look forward to welcoming you to our remarkable community and supporting you throughout your public health education. Your experience at Mailman will be enriched by our world-class faculty and our location in New York City.

You have been admitted into the MS program in the Department of Biostatistics with a concentration in Pharmaceutical Statistics beginning in August 2020. If you have questions about your academic program, please contact Justine Herrera at jh2477@cumc.columbia.edu.

To learn about the day-to-day experience of attending the Mailman School, we invite you to explore the [Admitted Students Portal](#) and start to imagine yourself as a member of our community. Your personalized portal will also provide information on financial aid, admitted student events, housing, and more.

As an accepted applicant to the Columbia University Mailman School of Public Health, you will need to complete the Decision Reply form and submit your \$500 non-refundable enrollment fee by the due date. You will find this form in your Admitted Student Portal.

For general admissions inquiries, email ph-admit@columbia.edu or call 212-342-5127.

Once again, congratulations on your admission to the Columbia University Mailman School of Public Health. We look forward to welcoming you on campus and to having you join the Mailman community of current students and alumni around the world.

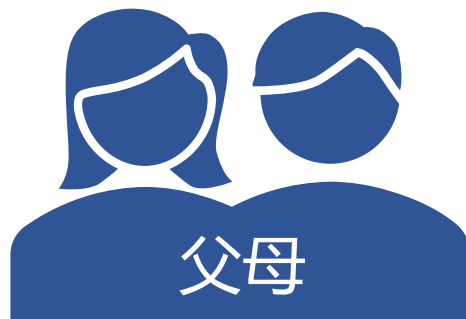

Sincerely,

Clare Norton, MScEd
